Take Action and Move Us Toward Zero Carbon

Submitted by California in July 2018.

Action Alerts

Tell your Assembly Member to vote YES on SB 100 - the California Renewable Portfolio Standard Program. The climate crisis is endangering all aspects of our daily lives. We must act now to move away from fossil fuels and preserve a healthy and sustainable environment for ourselves and future generations. Fossil fuels account for 75 to 80 percent of greenhouse gas emissions--but you can help change that.
